UPENDAR CHAUDHARY

LinkedIn: www.linkedin.com/in/upendar-chaudhary Email: upenderchaudharydh23@gmail.com
GitHub: https://github.com/chaudhary-223 Mobile: +91 9528974067

SKILLS

Languages: C++, Python, Java, JavaScript
Frameworks & Libraries: HTML, CSS, Tailwind CSS, Node.js, React.js
Tools & Databases: Git, GitHub, MongoDB, MySQL
Soft Skills: Problem-Solving, Team Player, Adaptability
Core Concepts: Data Structures and Algorithms, DBMS, SQL, Object-Oriented Programming (OOP)

TRAINING

Logic Building, Programming & Data Structures | LPU — June 2025 - July 2025

- Strengthened core understanding of Data Structures & Algorithms and Object-Oriented Programming by solving problem statements and implementing optimized solutions in C++.
- Developed a relevance-based ranking system prototype using C++ logic, improving search result ordering through efficient data handling and algorithmic approach.

PROJECTS

Disaster Material Management System (DMMS) | Github — Dec 2025

- Implemented secure Role-Based Access Control (RBAC) with JWT authentication, enabling stakeholders (Admin, Warehouse Manager, Transport Officer, NGOs) to perform authorized operations securely.
- Built real-time inventory tracking, demand allocation, and shipment management modules, including transfer order creation, delivery updates, and audit logs to improve transparency and accountability.
  Tech Stack: React.js, Tailwind CSS, Node.js, Express.js, MongoDB, JWT, Socket.io

AI Based Projector Security System | Github — April 2025

- Designed an AI-powered IR signal detection system using TensorFlow to identify unauthorized projector interference, improving disruption prevention by 80%.
- Developed scalable security mechanisms such as device blocking, shutdown protection, and live monitoring, validated through network traffic analysis using Wireshark.
  Tech Stack: Python, C++, TensorFlow, Wireshark

CERTIFICATES

- Cloud Computing | NPTEL — August 2025
- Programming Using C++ | Infosys — February 2024
- Responsive Web Design | Free Code Camp — November 2023

ACHIEVEMENTS

- Volunteered in college technical events, supporting event coordination and teamwork in cross-functional environments.
- 2nd Runner-up in Quizzical Karma (English Grammar Quiz Competition).

EDUCATION

Lovely Professional University — Phagwara, Punjab
Bachelor of Technology- Computer Science and Engineering — August 2023 – Present
CGPA: 7.28

Lala Radhey Shyam Academy — Nagina, Uttar Pradesh
Intermediate — March 2022 – May 2023
Percentage: 74

St. Mary's School — Nagina, Uttar Pradesh
Matriculation — March 2020 – May 2021
Percentage: 72
